Subject: NOI on BDCP

I had a short talk with Jim Monroe, attorney for the FWS and sometimes BOR on the BDCP. He says they will be issuing a new NOI notice in the immediate future, with a new due date, so we don't need to heed the current due date.

And apparently DWR will be issuing an NOP on the same track. Either one EIS or two EISs (one for the NCCP and one for the Peripheral Canal).

So this will continue to be interesting.
